

# The Great Bedford Foodbank £7433 Christmas Challenge!

£7433 – because we fed  
7433 people in the last year!

So we're hoping to raise the same number of  
pounds as the number of people we fed!

We feed some 600 people a month.  
One third of them are children.

We also provide toiletries, toilet paper,  
cleaning materials, nappies and baby food.

In 2018 in the UK, it was calculated that the  
average monthly household income that  
tipped people into applying for help from a  
foodbank was just **£319**
