

1.6 MILLION

THANK YOU

for volunteering

We wanted to say a huge thank you for your tireless efforts volunteering to help end hunger and poverty in the UK.

We know the last twelve months have been extremely busy for you, with a record 1.6 million food parcels provided by food banks in our network. But your passion and commitment to dealing with this increased demand is truly inspiring. This dedication to support people in your community is the reason we know that we can and will end hunger in the UK.

From all of us at the Trussell Trust, and on behalf of the many people you have helped over the last year, we send you our heartfelt thanks.
